Understanding Experiences & Effects of VAWDASV on Deaf Survivors Training

Welsh Women's Aid is the national charity in Wales working to end domestic abuse and all forms of violence against women. We campaign for and provide advice, support and training on policy and service improvements for survivors, families, and communities. Our federation of specialist organisations provide lifesaving services to survivors of abuse and a range of preventative services.

Welsh Women's Aid are offering Domestic Abuse training to Specialist Services to have an improved knowledge about the approach, skills, and resources necessary to provide a competent response deaf survivors, including effective support and advocacy.

Description:

The aim of this training is to build a solid understanding of the nature and scope of domestic abuse and its impact on those who experience it, providing the delegates with the confidence and knowledge to deal with the issues in their work setting.

Learning objectives:

- Develop an understanding of deafness and deaf culture.
- Appreciate and understand the impacts and barriers of VAWDASV for deaf or hard of hearing survivors.
- Strengthen their understanding of the main issues of providing a sensitive and appropriate service to deaf or hard of hearing survivors.

To book a space on this training, click on your preferred date above. You will be directed to Eventbrite to enter your details to confirm your space.
